USACE Worldwide Logistics Community of Practice Conference and Training Workshop

EMERGENCY/CONTINGENCY MANAGEMANT SUB - CoP

Orlando, Florida

21 October 2004

Emergency/Contingency Management Sub-CoP

IMPLEMENT AND BUILD THE SUB-CoP

- **List Core Emergency/Contingency Management Sub-CoP stakeholders /target audience members/SMEs:**
  - **Identified a list of possible stakeholders/target audience/members/SMEs.**
  - **Jim McKinney, SAS, volunteered to send e-mail request (NLT 1 Nov 04) to all MSC Log POCs to explain the development and to provide the names/email addresses of MSC individuals that wish to be Sub-CoP members, to include individuals from government (federal/state/local) agencies, academia, contractors, industry, and others.**
  - **Provide list to HQs IM to have Groove installed for all (NLT 15 Jan 05).**

Emergency/Contingency Management Sub-CoP

- **Roles and Responsibilities:**
  - From the list of members/ambassadors, identify volunteers (Primary/Alternate) for Sub-Cop Leader/Assistants, Champions, SMEs, Catalysts and Facilitators.
  - Provide volunteers to Log Top CoP for review/approval.
- **Inventory Knowledge Assets**
  - **Where they reside:** Currently resides on ENGLink and in personal data bases. Need to identify how many Sub-CoP members need access to Tomoye and coordinate training to develop an Emergency/Contingency Management Sub CoP data repository.
  - **Who are the keepers:** Currently Logistics PM/SMEs/TLs.

Emergency/Contingency Management Sub-CoP

- **Develop New Content:**
  - **Perform Hurricane After Action Review:**
    - **Reviewed identified Successes and Issues from HQs, MSCs, other Federal agencies, State of Florida, and USACE contractors.**
    - **Reviewed successes and issues from current Military deployments.**
- **Determine Effectiveness of Sub CoP**
  - **Determine the value or success/reevaluate what has been accomplished:**
    - **Provide monthly IPRs to the Top CoP.**
    - **Facilitate quarterly Sub-CoP meetings.**
